

**Counseling Center
University of Illinois at Urbana-Champaign
Embedded and Clinical Counselors –
Multiple Positions**

The University of Illinois Counseling Center is hiring multiple embedded and clinical counselors. Successful candidates will have solid experience and expertise in serving college student populations. There are openings for clinical counselors who are generalists with a strong demonstrated interest and experience in one or more of the following desired clinical and outreach areas: International; Middle-Eastern and North African (MENA) Diaspora; Native American; LGBTQ+; Crisis/Triage Management; Body Image and Eating Disturbances. The embedded counselor is a generalist who extends our mission by partnering with an academic unit. Positions for embedded counselors will be housed in other academic units, including one position in Housing.

The Center is an accredited training site through the American Psychological Association with over 50 staff, which includes clinicians, doctoral interns, academic professional staff, and administrative staff as well as graduate assistants, undergraduate paraprofessionals, and practicum counselors.

The University of Illinois is located in the twin cities of Champaign and Urbana in central Illinois. The [University of Illinois campus](#) is situated between the three major metropolitan areas of Chicago, Indianapolis, and St. Louis and is considered one of the top comprehensive research public universities in the nation. Our staff works on campus with an academically talented and ethnically diverse student population, including 18 percent international students, 16 percent Asian students, 11 percent Latino/a students, and 6 percent African American students, for a total enrollment of over 52,300 students. The University of Illinois is a traditional residential campus with nearly 20 percent of the students living in campus housing.

University of Illinois Counseling Center employees enjoy a high quality of life with excellent compensation; competitive health, dental, retirement, and vision benefits; and education assistance programs. Individuals with diverse backgrounds, experience and ideas who embrace and value diversity and inclusivity are encouraged to apply.

The University of Illinois is an Equal Opportunity, Affirmative Action employer that recruits and hires qualified candidates without regard to race, color, religion, sex, sexual orientation, gender identity, age, national origin, disability or veteran status. Primary Job Functions

The primary function of the clinical counselor position is to serve as a generalist for clinical service provision. The primary functions of the embedded counselor are to serve as a generalist and establish and maintain a presence of Counseling Center services within the academic unit. The embedded counselor will provide clinical services to students as well as provide outreach, prevention and consultation services within the unit. Additionally, the successful candidate for any position will be a well-rounded professional, who works comfortably both individually and as a team member in providing effective outreach and prevention programs. Our Center's mission places a high value on serving a diverse population of students in a culturally competent manner as we provide a variety of services to assist students with psychological, educational, social, and developmental concerns.

Job duties and responsibilities for this position as a clinical counselor (master's level) may include, but are not limited to:

- Providing time-limited counseling services for individuals and couples.
- Providing outreach and clinical services that address the needs of the general student population as well as the needs of traditionally underserved populations.
- Managing clinical crises and triage services.
- Providing group counseling services through a general therapy group or a group that addresses a specific clinical issue or the needs of a particular population of students.
- Participating in psychological emergency and trauma response.
- Training/supervising doctoral interns, practicum counselors and undergraduate paraprofessional service providers.
- Participating in other outreach, training, and consultation team activities.
- Participating in various Student Affairs activities and committees.
- Other duties as assigned.
